CASE NO. 2007-00319

JOINT MOTION OF LOUISVILLE GAS AND ELECTRIC COMPANY AND KENTUCKY UTILITIES COMPANY TO CORRECT ORDER

Louisville Gas and Electric Company ("LG&E") and Kentucky Utilities Company ("KU") (collectively, "Companies"), by counsel, hereby respectfully move the Public Service Commission ("Commission") to issue an Order nunc pro tunc correcting the March 31, 2008 Order ("Final Order") in this proceeding. Ordering paragraph 2 of the Final Order states:

2. With the exception of the incentive addressed above, LG&E and KU's revised DSM Tariff and the revised DSM surcharge factors are approved effective as of the date of this Order.1

The Companies respectfully move the Commission to issue an Order correcting the Final Order in this proceeding to replace the above-underlined words with "effective as of May 2, 2008". It was not practically feasible for the Companies to implement the approved tariffs and surcharge factors on the same date the Final Order approving was entered, and this proposed change will harmonize the effective date of the revised Demand-Side Management ("DSM") tariffs and surcharge factors with the next billing cycle that will follow the filing of those tariffs. The

1 Final Order at 24 (emphasis added).

Companies will file their revised DSM tariffs with the Commission no later than April 20, 2008, as required by ordering paragraph 7 of the Final Order.²

WHEREFORE, Louisville Gas and Electric Company and Kentucky Utilities Company respectfully move the Commission to enter an Order *nunc pro tunc* correcting the Commission's Final Order in this proceeding, dated March 31, 2008, by replacing the second ordering paragraph, which currently reads (with emphasis added):

2. With the exception of the incentive addressed above, LG&E and KU's revised DSM Tariff and the revised DSM surcharge factors are approved effective as of the date of this Order.³

with the following text:

2. With the exception of the incentive addressed above, LG&E and KU's revised DSM Tariff and the revised DSM surcharge factors are approved effective as of May 2, 2008.

Dated: April 9, 2008

Respectfully submitted,
